Why is my husband semen yellow

Why is my husband semen yellow

my husbands **semen** smells really bad, and it makes me smell. He is having a problem keeping an erection and when he ejaculates it smells fishy. I has gone to a doctor. A **yellow**-colored ejaculation can cause anyone to get alarmed.

Normally, **semen** is whitish to a light gray in color. It is usually quite thick but tends to liquefy. I have noticed a bad urine smell lately whenever I go to the bathroom. It is so noticeable. I'm very conscious of it during the day. **My husband** said he noticed it. Not enough **semen**. Sperm are made in the testicles. To reach the penis, they travel along the narrow tube of the

epididymis (which lies just outside the testicles) and.
